This is a directed net. Please direct all traffic through net control.

The net is now open to stations with emergency traffic.

The net will now take check-ins from Echolink stations.

The net will now take check-ins from stations operating mobile or on emergency power.

The net will now take check-ins from Deschutes County. Please give your call sign phonetically followed by your first name.

Stations with call sign suffixes ALPHA through ECHO please go now.

Stations FOXTROT through JULIET please go now.

Stations KILO through OSCAR please go now.

Stations PAPA through TANGO please go now.

Stations UNIFORM through ZULU please go now.

The net will now take check-ins from other counties. Please give your call sign phonetically, first name and county.

Are there any ARES announcements?

Are there any stations with other announcements for tonight's net?

All Central Oregon radio amateurs are encouraged to participate in HAM radio activities, including the following:

ARES meetings are on the second Wednesday of each month at the ODOT building at 7pm.

The High Desert Amateur Radio Group meets every Wednesday for lunch at Jake's Diner in Bend at 11:30 am and also the first Thursday of each month at St. Charles Medical Center at 7pm.

The Sisters Ham group meets the first Saturday of each month at the Gallery Restaurant at 8:30am.

The La Pine area group meets at Gordy's truck stop diner on Sundays at 7am.

Are there any late, missed or visiting stations wishing to check in to the net?

Are there any stations with comments regarding tonight's net?

Please remember to check into the HiDARG net on the 146.700 Repeater with a PL tone of 162.2 at 1900 hours every Tuesday evening.

Also listen for the Jeff/Cro net on 147.380 with a PL tone of 162.2, on Mondays at 7pm.

On the first Sunday of every other month starting with January, immediately following this net, there is an ARES simplex net on 146.520.

Thank you to all stations that stood by to provide us a clear operating frequency.

This is \_\_\_\_\_, net control for the district 2 ARES net, closing the net at \_\_\_\_\_ local time and returning the repeater to normal amateur radio use.

73 and Good Evening!
